Agenda for January 13, 2018

The Southwest Group presents this January Program.

Program Presentation—Shop Fixtures

Members of the Southwest Group will discuss several shop fixtures, including

- A micro-adjustable band saw re-saw fence
- Box that turns sabre saw into a "Blade Runner" type tool
- More information on electrical issues, surge protectors from Gene Wiggs

Methods of Work

Club members will present several methods of work at the meeting.

Show and Tell

Please share projects you made as holiday presents or new tools or gadgets you received as a gift. We have Show and Tell at every meeting. We all get inspiration and ideas from seeing what others have done. Let's see what you have been up to and "share the woodworking knowledge"

January Auction

Immediately following the meeting will be the annual tool auction. Proceeds go toward purchasing supplies and defraying expenses of our charity projects. If you have tools or materials that you've upgraded, outgrown, or are just sitting in the corner, unused and lonely, please donate them for this worthy cause. Also bring your cash and checkbook to take advantage of some deals and supplement your shop.

A worm-drive circularsaw, #62 plane, and a pre-Civil War woodworker, Ephraim Pittman's, tool chest have already been donated for the auction.

Chris Schwarz with his staked construction and Shou Sugi Ban charred finish.

Jonathon Peirson's inlaid box.

John Leonardi's pecky maple cabinet.

Spring Seminar

The annual spring seminar is scheduled for Saturday April 21 in Blue Ash. There will be a limit of 40 attendees. Club president Keith Mealy will cover finishing. If you are stuck in a rut of the same old finish for everything or have issues with getting the color you want, we'll explore

- Pros, cons, and properties of a number of different finishes. When to choose which.
- Choices and methods of applying finishes by cloth, brush or spray – when and how.
- How to color wood using dyes, pigments, toners and glazes.

New Life Furniture

Club members' work was featured on WCPO as part of our effort to build 130 kitchen tables between Oct 20 and Dec 20 last year. Contact Bill Fee or Keith Mealy if you would like to help out in this ongoing effort.
