Agenda for May 13, 2023

The May meeting is presented by the Northeast group.

Compton Road Closed

We have been told Compton Road is closed East of Westminster Church. Compton from Winton Road to the church is open.

Featured Speaker Dr. Jeffery Hill, MD

Dr. Jeffery Hill is an emergency room physician, an active woodworker and author of "Workshop Wound Care". He will be discussing the do's and don'ts of treating wounds in the shop and recommendations for a shop first aid kit. He will also talk about his book and its use.

His book is a field manual, not a medical textbook. The book is organized so you can quickly get to the information you need. If you cut, burn or crush a body part, you can turn right to the instruction you need to take care of the problem. So when, not if, you hurt yourself, you'll be back at the workbench in minimal time and with as little agony as possible.

Safety in the shop is the top priority for all of us. But when an injury occurs, proper and immediate care is paramount. This presentation will help you achieve this. Don't miss this one!!

"Workshop Wound Care", the book, will be available for purchase at the meeting.

	<p>Methods of Work</p> <ul style="list-style-type: none"> • Tapering a pizza peel – Stephen Fridrick • Several useful shop jigs - Dennis Reed <p>Show and Tell & Quick Shop Tips</p> <p>We encourage members to bring in a project for Show and Tell. Also, if you have a method or technique you find useful, bring it in and share. These topics do not need to be scheduled and should be about 1-3 minutes in length.</p> <p>We are always in need of people to do Methods of Work and Quick Shop tips. Please sign up at the back of the room if you have something you think might be of interest. To encourage people we are now offering a gratuity for speaking – you will get a free donut!</p> <p>Refreshments</p> <p>The club provides donuts for the meeting. Feel free to bring a coffee, tea, water, or soft drink in a spill-proof container.</p> <p>In case of meeting cancellation due to weather or other problems, our cancellation will be broadcast on Fox 19 News.</p> <p>https://www.fox19.com/weather/closings/</p>

Jim Schaefer Toy Drive & Charity Boxes

Children's Hospital has a need for and will accept toys year-round, so you don't need to wait until next Christmas to become part of this project. The Woodworking Club has wood available for toy projects, along with a wide variety of toy parts for anything you might want to build. We also have a library of toy plans and books you can use for inspiration. Contact Dick Wesling (rawesling@aol.com , 513-570-6368) for more info or to arrange a drop-off or pick-up.

Charlie Harte charte@mac.com has also agreed to become the box building coordinator for memory boxes and other charity projects. Contact him if you'd like to contribute by making small boxes. Our goal is to supply 30 boxes a month for Children's Hospital. Also, Charlie would like to request box making wood if anyone would like to get rid of some. He can use any species about 1/4 to 3/8" thick, 3" wide and at least 5 inches long. 5" for ends, about 9" for the sides. He'll be happy to take someone's scrap pieces! Bring to the meeting or contact Charlie.

New Life Furniture Bank

For the last 8 or so years, a group of about 10 CWC members have been giving their time to keep the shop running and prep parts. They also lead outside volunteers in building tables from those parts for New Life's clients. Connie Stalf, volunteer coordinator, was at St. Xavier High School recently and accepted a check for \$1000 from St. X. and Magnified Giving. NLFB was nominated by one of the students, Kai Munz, who has been attending table build sessions with 8 or 9 other students on the first Saturday of the month since last November. Kai gave a very uplifting speech about how much his team liked building tables for people, why it was important to NLFB, what they learned from the woodworkers, and how much fun they had during the build sessions. It was their experience in our woodshop with the CWC team that made a big impression on each of them! Thank you Cincinnati Woodworking members for mentoring this group of students. Their school assignment for the year is over, but I'm sure many of them will be back to volunteer again because of your kindness.

Treasure table

If you have small items for sale or give-away, we usually have a couple tables set up in the room (or you can do a tailgate/trunk sale in the parking lot).

Looking for someone to do paid work

People regularly contact the club regularly to have minor projects done. If you are interested in taking on some work, let Larry know your areas of interest.
