The Cincinnati Woodworking Club Newsletter

Agenda for Nov 11, 2023

The November meeting is presented by the Central group.

Note new location

We are now meeting at **E B Mueller Co, 101 E Benson St.** They are an equipment and supply dealer and the new location will enable us to use equipment on site for demonstrations. The storefront will also be open for shopping before and after the meeting. As the store will be open to the public in the fall and winter, please do not park in the lot off 3rd St (next to the building)

Featured Speaker Roger Harding

Roger Harding with Mueller will be presenting "Band Saw Basics" starting with first time setup. Discussion will include blade adjustments, maintenance, safety, types of blades, dust collection and aids. Dick Wesling will conclude the presentation with a bandsaw demonstration making a Christmas holiday item.

Methods of Work

Jim Cox will be talking about the different types of mortise and tenon joints and different types of jigs and demonstrating a "Loose Tenon" jig he made.

Aaron Reizner will have a surprise demonstration.

Show and Tell & Quick Shop Tips

We encourage members to bring in a project for Show and Tell. Also, if you have a method or technique you find useful, bring it in and share. These topics do not need to be scheduled and should be about 1-3 minutes in length.

We are always in need of people to do Methods of Work and Quick

	<p>Shop tips. Please sign up at the back of the room if you have something you think might be of interest.</p> <p>Refreshments</p> <p>The club provides donuts for the meeting. Feel free to bring a coffee, tea, water, or soft drink in a spill-proof container. Mueller will also provide coffee.</p> <p>In case of meeting cancellation due to weather or other problems, our cancellation will be broadcast on Fox 19 News.</p> <p>https://www.fox19.com/weather/closings/</p>
--	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Display Your Work

Once again we will be showcasing club member's work at the Blue Ash Library. They will be shown in the library entrance showcase. Items should be small, less than a cubic foot. Bring your items to the November meeting and make sure you put your name on them. Items will be available to pick up at the January meeting. Pictures of large items can also be displayed.

Election of Officers

We will be having the elections of officers at the November meeting. Nominations will be taken. Also thanks to people continuing or stepping forward as neighborhood group chairs

Charity Boxes & Toys

Children's Hospital has a need for and will accept toys year-round, so you don't need to wait until next Christmas to become part of this project. The Woodworking Club has wood available for toy projects, along with a wide variety of toy parts for anything you might want to build. We also have a library of toy plans and books you can use for inspiration. Contact Dick Wesling (rawesling@aol.com , 513-570-6368) for more info or to arrange a drop-off or pick-up.

Charlie Harte crharte@mac.com is the box building coordinator for memory boxes and other charity projects. Contact him if you'd like to contribute by making small boxes. Our goal is to supply 30 boxes a month for Children's Hospital. Also, Charlie would like to request box making wood if anyone would like to get rid of some. He can use any species about 1/4 to 3/8" thick, 3" wide and at least 5 inches long. 5" for ends, about 9" for the sides. He'll be happy to take someone's scrap pieces! Bring to the meeting or contact Charlie.

Looking Ahead

January's meeting will be our annual auction of tools and materials. If you have a tool you don't use any more or got replaced with a Christmas gift, bring it to the meeting.

Woodcarving Class

The Cincinnati Carvers Guild will be conducting an Introduction to Wood Carving class in January in conjunction with the Hamilton County Park District. The two week class will be held on consecutive Saturdays, January 20th and 27th, from 9:00 am to 12:00 pm at the Farbach-Warner Nature Preserve on Colerain Avenue. Sign-up info should be posted soon at GreatParks.org. Contact Dick Wesling for additional info.

Looking for Imagination Builders

The pre-school at Northminster church (our former meeting site) is accepting loose parts and imagination builders for their outdoor play. They love pvc pipes, plumbing tubes, bungee cords, twine, wood scraps (with smooth edges and free from nails, etc), wood stumps or discs, large spools, old clean tires, rain gutters, 2x4s or 2x6s, stones, pallets (nail free), milk crates, tubs, all kinds of "stuff". Have a question about an item? Please let smusgrove@northminsterchurch.org know! Loose Parts are an amazing way to use your "junk" materials and expand our creativity, social skills, body awareness, large and small muscle development for pre-writing skills and on and on. The children love our existing loose parts and would love to have more! <https://extension.psu.edu/programs/betterkidcare/early-care/tip-pages/all/loose-parts-what-does-this-mean> You can drop off during school hours, Monday- Friday from 9:30 am to 1:30 pm. Just ring the preschool doorbell and they can meet donors there to place items on the playground.

Parking Information

There are multiple places to find a parking spot.

- Handicap parking by the Reading Rd side of the receiving docks and on Benson St in front of the store. Handicap permits only. Receiving dock is available to unload and pick up items. Once unloaded, you must find other parking.
- Lot across the street from Mueller. Lot has parking spaces striped with Entrance and Exits marked. About 25 to 30 spaces.
- Mueller upper customer lot for May and September meeting only (when store not open to public). About 12 spaces
- Street parking on Mueller side of Benson and both sides on 3rd Street, north and south of Benson
- Shut down Rally's restaurant at the corner of Benson and Reading across the RR tracks from Mueller. About 30 spaces
- Reading Public Parking Lot across from Rally's, About 20 spaces
- Lot across the alley in back of the American Legion parking lot, next to RR tracks. Enter the American Legion from Reading road. About a block from Muller using the alley and McDonald's lot. About 30 spaces.

Facebook and Website

Like us on Facebook for timely updates from the club, tips, techniques, and Q&A

Misc. Stuff

Treasure table

If you have small items for sale or give-away, we usually have a couple tables set up in the room (or you can do a tailgate/trunk sale in the parking lots).

Hearing Protection

Since we may be powering up hand and stationary equipment during presentations, you may want to bring hearing protection.

Woodcraft Discounts

Finally, Woodcraft will now give club members a 10% discount. They will require you produce your membership card. Thanks to Dan Wunderlich for making this happen. Woodcraft joins Mueller, Rockler, and others offering this discount.

Guest Pass

We are introducing a one session "Guest Pass". So if you know anyone interested in the club and would like to see what it is all about without committing to join, invite them as a guest. See Dick Fisher for Guest Badge.

Mueller Retail Store

Mueller's retail store will be open during our meetings for members only. Store will be open at 8:00 and through our meeting until the end of the meeting. Our 10% discount on accessory items will apply.

Looking for someone to do paid work

People regularly contact the club regularly to have minor projects done. If you are interested in taking on some work, let Larry know your areas of interest.

Stuff to sell or give away

Keith Mealy does the newsletter and is happy to add your stuff for sale or giving away. Helpful guidelines:

- Please submit to him byhammerandhand@yahoo.com at least two weeks before a meeting.
- Keith spends a lot of time editing from first person (I have my ..., I'd like to..., Contact us...) to third person (He has his..., She wants to..., Contact them...) and would appreciate it if your requests do that.
- PDF files work better than .DOC or .XLS files.
- "For Sale" items should have detailed information such as item, brand, size, condition, quantity, price etc.
- "Needs Work" should be an overview of what is wanted with information on the project or tool such as repair work, new build, sketches, dimensions etc. Details will be worked out by any member interested.
- Pictures are always very helpful.
- The more information provided the better chance someone will be interested.
- Provide your name, contact information, and area located.
- If you have a price in mind or if free, please list that for better responses.

Club Contacts

Have questions about the club? We will be glad to help.
