Methods of Work

We will be skipping methods of work this meeting to allow more time for Bob Lang and the auction.

Show and Tell & Quick Shop Tips

We encourage members to bring in a project for Show and Tell. Also, if you have a method or technique you find useful, bring it in and share. These topics do not need to be scheduled and should be about 1-3 minutes in length.

We are always in need of people to do Methods of Work and Quick Shop tips. Please sign up at the back of the room if you have something you think might be of interest.

Refreshments

The club provides donuts for the meeting. Feel free to bring a coffee, tea, water, or soft drink in a spill-proof container. Mueller will also provide coffee.

In case of meeting cancellation due to weather or other problems, our cancellation will be broadcast on Fox 19 News.

Display Your Work

Once again, we showcased club member's work at the Blue Ash Library. They were shown in the library entrance showcase. Thanks to Charlie Harte for organizing and to all who contributed.

Annual Auction

We will be having the annual tool / materials / shop stuff auction in January following the meeting. John Leonardi, Jim Cox and Larry Saupe will price out items and negotiate if needed. Those remaining will be auctioned off. If you have items you don't use, got replaced by Christmas gifts, or are just sitting in a corner, bring them in. Proceeds go to club funds. Come prepared to get some deals.

Charity Boxes & Toys

Children's Hospital has a need for and will accept toys year-round, so you don't need to wait until next Christmas to become part of this project. The Woodworking Club has wood available for toy projects, along with a wide variety of toy parts for anything you might want to build. We also have a library of toy plans and books you can use for inspiration. Contact Dick Wesling (rawesling@aol.com , 513-570-6368) for more info or to arrange a drop-off or pick-up. Dick will be showing some samples of the 2023 donations.

Charlie Harte crharte@mac.com is the box building coordinator for memory boxes and other charity projects. Contact him if you'd like to contribute by making small boxes. Our goal is to supply 30 boxes a month for Children's Hospital. Also, Charlie would like to request box making wood if anyone would like to get rid of some. He can use any species about 1/4 to 3/8" thick, 3" wide and at least 5 inches long. 5" for ends, about 9" for the sides. He'll be happy to take someone's scrap pieces! Bring to the meeting or contact Charlie.

Looking Ahead

Plans for the annual seminar are under way. This year's seminar will be on use of portable power tools. Featured items will be Festool product line, Shaper Origin and new arrivals. Tentative dates are March 23 or April 6 (TBD). Sign-ups at the March meeting or by mail.

Woodcarving Class

The Cincinnati Carvers Guild will be conducting an Introduction to Wood Carving class in January in conjunction with the Hamilton County Park District. The two week class will be held on consecutive Saturdays, January 20th and 27th, from 9:00 am to 12:00 pm at the Farbach-Warner Nature Preserve on Colerain Avenue. Cost of the class is \$16. Sign-up at: [Calendar of Events](#)

[Great Parks of Hamilton County](#) . Contact Dick Wesling for additional info.

Misc. Stuff

Treasure table

If you have small items for sale or give-away, we usually have a couple tables set up in the room (or you can do a tailgate/trunk sale in the parking lots).

Hearing Protection

Since we may be powering up hand and stationary equipment during presentations, you may want to bring hearing protection.

Woodcraft Discounts

Finally, Woodcraft will now give club members a 10% discount. They will require you produce your membership card. Woodcraft joins Mueller, Rockler, and others offering this discount.

Guest Pass

We are introducing a one session "Guest Pass". So if you know anyone interested in the club and would like to see what it is all about without committing to join, invite them as a guest.

Mueller Retail Store

Mueller's retail store will be open during our meetings for members only. Store will be open at 8:00 and through our meeting until the end of the meeting. Our 10% discount on accessory items will apply.

Looking for someone to do paid work

People regularly contact the club regularly to have minor projects done. If you are interested in taking on some work, let Larry know your areas of interest.
