Pulpit*

This meeting will be presented by the Northeast Group. Keith Mealy & Earl North the Co-Leaders for the group are hosting.

The speaker for this meeting will be **Hugh D. Evans** a Technical Specialist for Franklin International, the manufacturer of Titebond Glues. Mr. Evans says he does everything there from answering phones, to on site troubleshooting in factories.

In this presentation, Mr. Evans will discuss adhesives as they relate to woodworking, good practices to use, how to select the best adhesive for a particular application and he will hopefully dispel some commonly held myths about glues and their uses.

This is also our yearly **CAP Toy collection meeting**. There will be a show and tell of the toys our members have made through out the year.

See The Jim Schaefer Toy Project on Page 3 for more information.

Woodworking Safety

Working safely in the shop is essential to keeping all of your fingers, avoiding eye injuries, protecting against hearing loss and breathing clean air. How well do you understand safe operating procedures in your shop and for your tools? How often do you take that one shortcut that could result in injury? Here are some quizzes to test your safety knowledge. There is also a treasure trove of safety reminders.

Finally, even a little humor can be helpful in promoting safety. Please make sure that you make safe choices as you make sawdust in your shop.

MEMBERSHIP DUES

Membership dues are payable each **September** – the beginning of our club year – and we encourage you to **pay promptly and support your fine club**. New members can join anytime. Your CWC dues are a great value and pay the club's many expenses (Your benefits) include the meeting room, audiovisual system, videos, Web site, newsletter, advertising, doughnuts, and the annual May meeting luncheon. Dues also pay for the door prizes at each meeting, therefore we ask that only current, paid members participate in the door prize drawings.

Annual Dues: Adults \$15.00
 Student \$ 5.00

To join or renew, fill out the attached **Membership Application** form on page 4 and, with your payment, mail it or bring it to the next meeting. You may also complete the application online at the club web site.

Need to know if you are paid up? A Paid Members List is posted at each meeting. If you receive this newsletter via U.S. Mail, check the **mailing label**, a "12", indicates you are paid up for the 2011-2012 club year.

CWC is open to woodworkers of all skill levels, without regard to sex, race, religion, national origin, age, or handicap.

COMMUNITY SERVICE PROJECTS

Jim Schaefer Toy Project 2011

It's that time of the year again.

John Leonardi, Terry Elfers and their elves will be collecting toys at the November meeting to take to CAP.

If you have completed toys for this year please bring them to the November 12th meeting.

We ask that you bring them in bags or boxes with the name or name's of the makers on the container's and the number of toys in each container. This will help a great deal with the record keeping. We ask that all the members please help the Toy Makers bring the toy's into the meeting room. As in the past, we will have a Show and Tell of the toys during the meeting.

You still have time to participate.

The toys will be stored at the Church until Tuesday morning. On Tuesday morning, we will need 6 or 7 volunteers to help us load the van. Please meet at the church on Tuesday morning at 8:00.

Once again Dusty Eling has worked with Penske Truck Rental to rent a van. Dusty Eling and Howard Renner will drive the truck load of toys to Mt. Vernon on Tuesday the 15th of November.

Thank you very much Dusty and Howard and all the individual Toy Makers in the Club.

There is not enough room to thank each and everyone by name but, be assured the kids at CAP will thank you Christmas Morning.

2011-2012 Woodworking Contest

Build anything that is primarily made of wood and completed between September 2011 and May 2012. It will be judged by the same criteria used in our past contests. Originality of design (how unique is it?), Functionality of design (how well does it work?), Artistic design (is it attractive?), Finish (sanding, stain, top coat) and Expertise required to complete (complex angles, joinery, inlay etc.). Photos may be used to enter projects in cases where it is not practical to transport and display. A PowerPoint presentation will be used to display digital entry photos again this year when the contest is judged at the May 2012 meeting.

If wish to have your digital photos included in the presentation, please send them to Darrell at dmcanulty@cincinnatiwoodworkingclub.org, no later than May 8th. And limit your photos to 4 per entry.

As part of the Woodworking Contest, we will present our 3rd annual Fred Weissborn Memorial Quality Award. It will go to the woodworker whose Contest entry is voted by members to best reflect the craftsmanship demonstrated by Fred during his long tenure as a member. The selection criteria will follow the principle that “craftsmanship” is in the eye of the beholder. Each voting member will determine the superior craftsmanship as he or she sees it and pick the best entry. This award is a traveling trophy with the winner’s name and project inscribed on it.

We congratulate John Leonardi the winner of this prestigious award in May 2011. As a reminder The Steering Team has decided that a member may only win this award one time.

A winner is ineligible to compete for this award in any future contest. However, a winner remains eligible to compete for any other contest awards.
