

The Cincinnati Woodworker

Dedicated to Sharing Woodworking Knowledge

2022-23 Meetings

Sept. 10, 2022 SE
 Nov. 12, 2022 SW
 toy drive
 Jan. 14, 2023 CNTL
 auction
 Mar. 11, 2023 NW
 Apr 22, 2023 Seminar
 May 13, 2023 NE

Meeting Location

Northminster Presbyterian Church, 703 Compton Road— approximately .2 miles east of Winton Road. The meetings are held in the Disciples Hall, located in the basement. Park behind the church, and enter through the double doors on the right side of the building, in the back. The doors will unlock at 8 am.

Meeting Time

Our room opens at 8 AM. The meeting is from 9:00 AM to 12:30 PM. Please plan to arrive on time and stay for the entire meeting.

The Cincinnati Woodworking Club Newsletter

Agenda for January 14, 2023

The January meeting is presented by the Central group.

Featured Speaker

Keith Mealy will present techniques for furniture touch up repairs. Specifically, he will talk about “burn in” repairs using resin sticks.

Keith, a long-time member and former president, has retired from being a furniture repair technician where he repaired all kinds of damage to furniture. Typical customers were local retailers, moving and delivery companies, national protection plan companies, furniture manufacturers, hotels, and individual consumers.

Methods of Work

- Unique Furniture - Howard Renner
- Disposing of shop tools when the time comes - Dusty Eling

Show and Tell & Quick Shop Tips

We encourage members to bring in a project for Show and Tell. Also, if you have a method or technique you find useful, bring it in and share. These topics do not need to be scheduled and should be about 1-3 minutes in length.

Annual Auction and Sale

The January meeting will be our annual material and used tool auction. If you have some items that are in excess, you no longer use, or got updated via Black Friday or Christmas gifts, bring them to the meeting. Proceeds go to our club funds.

Pre-sales will be done. Bring items to the “negotiating table” for a price. John Leonardi and Larry Saupe will be haggling prices.

	<p>Refreshments</p> <p>The club provides donuts for the meeting. Feel free to bring a coffee, tea, water, or soft drink in a spill-proof container.</p> <p>In case of meeting cancellation due to weather or other problems, our cancellation will be broadcast on Fox 19 News.</p> <p>https://www.fox19.com/weather/closings/</p>

Jim Schaefer Toy Drive

Many thanks to all who contributed to the 2022 Toy Project. We collected 423 handmade toys, games, boxes, and pens this year from our members, along with a few other donations. Most went to Cincinnati Children's Hospital after we lost our previous recipient, the Christian Appalachian Project. Smaller quantities were given to the New Life Furniture Bank for sale in their thrift store to support their mission, and also to the Mary Haven Youth Center in Lebanon. The toys were greatly appreciated by all.

Children's Hospital has a need for and will accept toys year-round, so you don't need to wait until next Christmas to become part of this project. The Woodworking Club has wood available for toy projects, along with a wide variety of toy parts for anything you might want to build. We also have a library of toy plans and books you can use for inspiration. Contact Dick Wesling (rawesling@aol.com) for more info.

There's a summary of the results from this year's toy-making project with the club.

Dick still has around 40 of the large games that Keith and Jim made that Children's Hospital couldn't take, so he's open to ideas for them.

If you have toys completed, Children's Hospital will take them now, or during the year, not just at Christmas. Contact Dick Wesling (rawesling@aol.com, 513-570-6368) to arrange a drop-off or pick-up.

Charlie Harte crharte@mac.com has also agreed to become the box building coordinator for memory boxes and other charity projects. Contact him if you'd like to contribute by making small boxes.

Looking Ahead

Spring Seminar April 22 sign up begins at the meeting.

TOPIC - Set up, maintenance, use and new products for stationary power tools.

LOCATION- Mueller Woodworking in Reading, OH

Treasure table

If you have small items for sale or give-away, we usually have a couple tables set up in the room (or you can do a tailgate/trunk sale in the parking lot).

Shop tools and fixtures available

Information from Dana Connolly <dana.connolly1@gmail.com>

I've delivered my shop tools including SawStop, Jet dust collectors and air filtration system, Oneida cyclone, and custom mobile workbench to Mueller Company for consignment.

In a Norwood storage locker, I have other shop fixtures Mueller wasn't interested in consigning, including lumber storage rack, ducts with blast gates (used with my dust collection system), custom workbench, many disassembled Gorilla racks, and steel paint cabinet. I'm happy to show these to interested folks at the storage locker.

Looking for someone to do paid work

Chris Hall <challb@gmail.com> sent a request:

We recently renovated our kitchen and are looking to have floating shelves put in to create a more open corner space.

The details:

- Located in Anderson township
- 2 floating shelves
- 2.5" thick
- 12" deep
- The corner measures 30.5"x40"
- Drywall backing with wood studs available
- Able to hold 30+ pounds for dishware (distributed)
- Looking to have natural color closer to white side of the spectrum.
- Under lighting already installed to be secured to bottom shelf

Chris Hall

513-617-9134

People regularly contact the club regularly to have minor projects done. If you are interested in taking on some work, let Larry know your areas of interest.

New Life Furniture Bank

For the last 8 years, a few members of the club have been coordinating volunteer groups to build furniture for this charity. We finished the 2022 efforts with 1138 tables made, 110 repairs to donated furniture, and numerous fixtures at their thrift store that opened in Sharonville in 2022.
