Agenda for September 14, 2024

The meeting is presented by the Central group.

Featured Speaker JEFF VOLLMER

Jeff was born and raised in Cincinnati, Ohio, and attended the College Conservatory of Music and the University of Cincinnati. Jeff was always a hobbyist woodworker who enjoyed making really fun and weird projects. In 1989, he made his first puzzle box. This was the beginning of Royal Woods, his own part-time business. In 1992, he made a full-time commitment to making bandsawn boxes, and Royal Woods really took off. Today, Jeff and his wife, Lynn, work together making puzzle boxes and selling them at art shows and in fine galleries. Their work is represented in all 50 states and in Europe. Jeff has written articles for *Popular Woodworking*, and in 2010 he authored his first book *Puzzle Boxes Fun and Intriguing BandSaw Projects*. Jeff says working with wood is much better than having a job!

Jeff will be demonstrating making bandsaw boxes using the traditional bandsaw and a hybrid scroll/bandsaw. You will be amazed by Jeff's skill. He is also an instructor at Mark Adam's School.

Charity Boxes & Toys

Children's Hospital has a need for and will accept toys year-round, so you don't need to wait until next Christmas to become part of this project. Contact Dick Wesling (rawesling@aol.com , 513-570-6368) for more info or to arrange a drop-off or pick-up. There is now a group getting together to make toys. Contact Larry Saupe if you'd like to join.

Charlie Harte crharte@mac.com is the box building coordinator for memory boxes and other charity projects. Contact him if you'd like to contribute by making small boxes. Our goal is to supply 30 boxes a month for Children's Hospital.
