

### **2015-2016 Meeting Schedule**

September 12, 2015-C  
November 14, 2015-SE  
January 9, 2016-NE  
March 12, 2016-NW  
May 14, 2016-Lunch-SW

### **Meeting Location**

Northminster Presbyterian Church, 703 Compton Road—approximately .2 miles east of Winton Road.

The meetings are held in the Disciples Hall, located in the basement. Park behind the church, and enter through the double doors on the right side of the building, in the back.

### **Meeting Time**

Our room opens at 8:30 AM. The meeting is from 9:00 AM to 12:30 PM. Please plan to arrive on time and stay for the entire meeting.

### **Refreshments**

Donuts will be available at the meeting. Please bring your own coffee in a cup with a lid. Please clean up your spills

### **Membership Dues**

Please pay your dues at the meeting

# **The Cincinnati Woodworker**

**Dedicated to Sharing Woodworking Knowledge**

## **The Cincinnati Woodworking Club Newsletter**

### **Agenda for March 12, 2016**

The Northwest Group presents this March Program.

**Mike Reckers** will do a presentation on screw technology. We've come a long way since the soft, cut thread, slot-head screws that we could get at the corner hardware store. Now we have all types of heads, drives, points, threads, materials, coatings, and new applications such as pocket screws. How do these compare against drywall screws?

Mike Reckers is the Director of Marketing and General Manager of McFeely's. Mc Feely's started in 1978 as a lumber supplier in Virginia. By 1986 McFeely's became a major proponent of square-drive (Robertson) screws and sold these by mail order and later internet sales. In 2007, Grainger acquired McFeely's and McFeely's became an independent division of Lab Safety Supply (LSS). McFeely's has recently moved to Harrison, Ohio, right here in Hamilton County, where they continue to sell screws and other woodworking supplies. They share their location with Atlas Dowel Company and Midwest Dowel Company. These two companies supply high quality dowels and wooden parts. Besides screws, McFeely's sells power tools, bits, abrasives, adhesives, finishes and other supplies and hardware.

**Methods of Work** Club members will share shop tricks and techniques including some handy jigs, a shop video tour, and cutting arcs.

### **Show and Tell**

We have *Show and Tell* at every meeting. We all get inspiration and ideas from seeing what others have done. Let's see what you have been up to "share the woodworking knowledge"

### **January Tool Auction**

Thanks for all the donations and buyers at the January tool auction. This year's proceeds totaled over \$1,200, and will help fund our various charity projects.

### **Indoor Tailgate**

We will have a couple of tables set up – one for items for sale and another for "freebies." If you have some things you want to get rid of, bring them to the tables and set up for others to browse before the meeting and at the break.

## 2016 Seminar

The annual seminar, presented by Glen Huey and Chuck Bender, **Master Joinery, Execution and Designing for Wood Movement**, is currently full. Contact Dick Fisher if you would like to be put on the waiting list, should there be a cancellation. The seminar will be a combination of lecture/demo and hands-on exercises. Wear comfortable shop clothes and personal eye and hearing safety equipment. Also, please bring your own chair.

Date: April 23, 2016

Time: 9:00 AM to 4:00 PM

Where: 360 Woodworking Shop  
6843 Lakota Plaza Dr., Suite 1  
WestChester, OH 45069

Lunch: Pizza will be provided

Directions: From I-75, exit at CinDay Road. Head North/West to Lakota Plaza, just south of Tylersville Road. Lakota Plaza is located on the west side of CinDay Road, behind the Mariner Inn Restaurant. Please park in the Lakota Plaza lot.

## \$10 Million Hold Down Stick

Larry Saupe still have a few FastCap miter saw hold down sticks for sale. See Larry at the back of the room if you'd like to buy one.

## Chad Stanton's portable workbench

The plans for the bench Chad showed at the January meeting are available at <http://www.woodchoppintime.com/free-plans/>. You can also watch Chad's "I Can Do That" videos via Popular Woodworking Magazine at <http://www.popularwoodworking.com/projects/icandothat>. These are available for four weeks after publishing. Other videos, in Watch, Laugh & Learn demeanor, are available at Chad's web site <http://www.woodchoppintime.com/videos>.

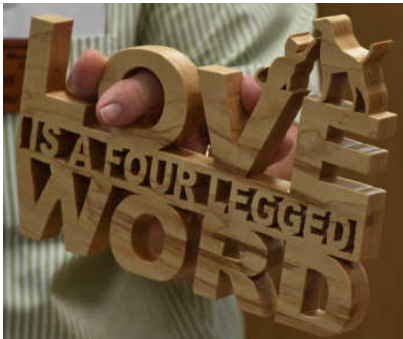

## Facebook

## Annual Woodworking Competitions

Each May we hold two competitions, the Founders Award and the Fred Weissborn Craftsmanship Award. **Please sign up at the March meeting or contact Dusty Eling by April 10 (513-563-8237) if you plan to enter either competition.** If we don't get a quorum for a category, that category will be deferred until next year.

Bring your favorite project (or a picture of the project to the May meeting to participate in The Founders Award competition. You can give a 3-5 minute presentation discussing your project. Members present at the meeting will vote to determine the top three projects. The top three projects will receive a plaque and a quality tool. This competition is open to all members and any type of project. We need at least 6 members to sign up in advance in order to hold the competition. This judging will be held at the May meeting.

The Fred Weissborn Craftsmanship competition is for more advanced projects. These projects are judged by craftsmen inside and outside the club. We need at least 4 members to sign up in order to hold this competition. This judging is held at the location of the wood project or at a designated location prior to the May meeting. The winner of this competition will receive a plaque and a quality tool. The winner will be announced at the May meeting. A slide show including all entries will also be presented.

## Lie-Nielson Hand Tool Event®

March 11-12, 2016
