Meeting Projector

I would like to ask the CWC members to contact me who have access to a projector that they could bring to the meeting.

Safety Requirements for Toys

NO FINISH OF ANY KIND even though you believe it is “safe”. This includes printed decals and felt pen decoration.

NO VINYL PARTS

SMALL PARTS Check for small parts whether attached, removable or as a separate piece using the small parts test cylinder. Area group leaders have test cylinders available or bring parts to the meeting. If attached, small parts must be firmly secured to resist 15 lb pulling force. We recommend using two different securing methods on small parts, for example glue plus nail or screw. Pull testing is available at the meeting.

CORDS, ROPE, STRING Pull cords for pull toys can be of any length but they cannot have any knots, ball or handle on the pull end. Pull end of cord cannot exceed the diameter of the cord itself.

Cords, rope or string other than pull cords must be less than 12 inches in length

COMMUNITY SERVICE PROJECTS

Jim Schaefer Toy Project 2013

It's that time of the year again.

The elves will be collecting toys at the November meeting.

If you have completed toys for this year please bring them to the November 9th meeting.

We ask that you bring them in bags or boxes with the name or names of the makers on the containers and the number of toys in each container. This will help a great deal with the record keeping.

We ask that all the members please help the Toy Makers bring the toys into the meeting room. As in the past, we will have a Show and Tell of the toys during the meeting.

You still have time to participate.

The toys will be photographed and packed in vans and will be taken to Mt Vernon after the meeting. This year we are sharing the stuffed toys with the Jackson Area Ministries (JAM). So Ken Koch will take the stuffed toys to Jackson, Ohio.

Thank you to all the toy makers and helpers. There is not enough room to thank each and everyone by name but be assured the kids will thank you Christmas Morning.
