Toy Drive Success

The Jim Schaefer Toy Project this year collected 910 items in our toy drive. 88 of these will go to the Jackson Area Ministries and the remaining to the Christian Appalachian Project. Ken Koch delivered the toys to Jackson, Ohio and Terry Elfers, Joe Gaherty and Keith Mealy delivered the other toys to Mt. Vernon. Thank you all for the driving.

We want to thank everyone that helped make this happen. Thanks to all who helped us carry the toys down to the basement, and back up to load the truck and van. Thanks to Dusty Eling, Ray Jang, Bill Law, and Rick Hemberger for counting and photographing the toys! Special thanks to all those individuals who donated their time, effort, and material to enable these children to have a Merry Christmas. May God bless you all abundantly.

Thank You!

As a volunteer organization, it takes a lot of help to keep the club running smoothly. Thanks to all who pitch in when needed. There are a number of unnamed but not unnoticed people who make things happen:

- Helping with setting up and taking down at the meetings.
- Making toys, furniture, and boxes for our charity projects throughout the year
- Donating items for use or auction to help fund projects
- Show-and-tell and presentation contributors who share their knowledge and techniques.
- See a need and do it.

A special thanks to Joe Gaherty, who has stepped down as newsletter editor. We appreciate all of Joe's hard work on this part of the club's communication.

Below is a list of the officers, group leaders, and others with special assignments. Thanks for all you do on a regular basis for the club.
