Agenda for May 11, 2024

The meeting is presented by the Northeast group.

Featured Speaker Rex Krueger

Rex Krueger will be doing a presentation on “Efficient Hand Tool Woodworking”

Rex Krueger is a woodworker and (YouTube) content creator living in Cleveland, OH. He builds Early American Furniture (mostly) by hand. He is the author of *One Week to Woodturning* and *Everyday Woodworking: A Beginner's Guide to Woodcraft with 12 Hand Tools*. He also owns Compass Rose Toolworks, which specializes in low-cost, American-made tools for traditional woodworking. Rex will have some of his books available for purchase at \$20.

Methods of Work

Member Stephen Fridrick will do a presentation laying out and making an elliptical table.

Show and Tell & Quick Shop Tips

We encourage members to bring in a project for Show and Tell. Also, if you have a method or technique you find useful, bring it in and share. These topics do not need to be scheduled and should be about 1-3 minutes in length.

We are always in need of people to do Methods of Work and Quick Shop tips. Please sign up at the back of the room if you have something you think might be of interest.

Refreshments

The club provides donuts for the meeting. Feel free to bring a coffee, tea, water, or soft drink in a spill-proof container. Mueller will also provide coffee.

	<p>In case of meeting cancellation due to weather or other problems, our cancellation will be broadcast on Fox 19 News.</p>

Charity Boxes & Toys

Children's Hospital has a need for and will accept toys year-round, so you don't need to wait until next Christmas to become part of this project. Contact Dick Wesling (rawesling@aol.com , 513-570-6368) for more info or to arrange a drop-off or pick-up. There is now a group getting together to make toys. Contact Larry Saupe if you'd like to join.

Charlie Harte crharte@mac.com is the box building coordinator for memory boxes and other charity projects. Contact him if you'd like to contribute by making small boxes. Our goal is to supply 30 boxes a month for Children's Hospital.

Parking Information

There are multiple places to find a parking spot.

- Handicap parking by the Reading Rd side of the receiving docks and on Benson St in front of the store. Handicap permits only. Receiving dock is available to unload and pick up items. Once unloaded, you must find other parking.
- Lot across the street from Mueller. Lot has parking spaces striped with Entrance and Exits marked. About 25 to 30 spaces.
- Mueller upper customer lot for May and September meeting only (when store not open to public). About 12 spaces
- Street parking on Mueller side of Benson and both sides on 3rd Street, north and south of Benson
- Shut down Rally's restaurant at the corner of Benson and Reading across the RR tracks from Mueller. About 30 spaces (assuming it's not being re-developed)
- Reading Public Parking Lot across from Rally's, About 20 spaces
- Lot across the alley in back of the American Legion parking lot, next to RR tracks. Enter the American Legion from Reading road. About a block from Mueller using the alley and McDonald's lot. About 30 spaces.

Camera Operator

The club is in need of some people to operate a video camera during meeting and seminar demos. If you are interested, contact Larry Saupe.

Free Salvage Walnut & Mahogany

Mike Ralston ralstonm5@yahoo.com (CWC member years ago) is offering salvage wood from an office that will be demolished soon. He says the trim is mahogany and the paneling is solid walnut. There are two solid doors and wide jams, baseboard and chair rail trim, raised panel wainscoting, and raised panel floor to ceiling paneling. You must do the demolition removal.

Misc. Stuff

Thanks

Thanks to Chips Fly, Inc. and Lewis Stepp for their generous donation of tools and accessories at the last meeting. If you are a new member and/or were not at the March meeting, you'll be able to get some goodies that were left.

Treasure table

If you have small items for sale or give-away, we usually have a couple tables set up in the room (or you can do a tailgate/trunk sale in the parking lots).

Hearing Protection

Since we may be powering up hand and stationary equipment during presentations, you may want to bring hearing protection.

Woodcraft Discounts

Finally, Woodcraft will now give club members a 10% discount. They will require you produce your membership card. Woodcraft joins Mueller, Rockler, and others offering this discount.

Guest Pass

We are introducing a one session "Guest Pass". So if you know anyone interested in the club and would like to see what it is all about without committing to join, invite them as a guest.

Mueller Retail Store

Mueller's retail store will be open during our meetings. Store will be open at 8:00 and through our meeting until the end of the meeting. Our 10% discount on accessory items will apply.

Looking for someone to do paid work

People regularly contact the club regularly to have minor projects done. If you are interested in taking on some work, let Larry know your areas of interest.

Stuff to sell or give away

Due to work and space involved, for sale items will no longer be part of the newsletters. If you have such items, please email Larry Saupe and he will forward out the information.
