Agenda for November 9, 2019

The November meeting is presented by the Central group.

Featured Speaker

The featured presenter at the September meeting will be Chad Stanton. Chad runs Stanton Fine Furniture business in the Toledo area. He's also a web blogger and YouTuber at "Wood Choppin' Time", former contributing editor and host of Popular Woodworking's "I Can Do That" video series, and frequent Woodcraft demonstrator. Needless to say, with all this, he's an entertaining speaker and fancy dancer.

Chad will be talking on "Old and uncommon tools that are useful today."

Methods of Work

Howard Renner will demonstrate how he carves model cars . He will discuss

- The (few) tools needed
- How to design and scale the model
- The mini-workbench and vise he's developed
- Finishing and painting the model

Dick Evans' stackable jewelry box

Stephen Fridrich's band saw outfeed table

Terry Elfers' segmented turnings

Methods of Work Needed

Our list of potential speakers and topics for Methods of Work is getting short. If you have a method that you find useful (whether you invented it or not) sign up at the sheet at the rear table and you'll be added to the list of future speakers. We are looking for 10-15 minute presentations. You can bring in the items or just a slide show.

Show and Tell and Quick Shop Tips

Bring a **Show and Tell** of recent projects or techniques by members. If you have projects that you've recently made and would like to display and present, bring them along.

Quick Shop Tips is another feature to our meetings. Present a very brief to several minute topic that can be on any shop-related tip or technique – safety, sharpening, joinery, new or handy tools, methods or materials, finishing, wood properties, jigs and fixtures, etc. Come and share your knowledge. These presentations are ad hoc – no reservation needed.

Annual Jim Schaefer Toy Drive

Each November we collect wooden toys and other items to send to Christian Appalachian Project (CAP) in Kentucky for distribution to needy families in 11 states. Toys must meet the safety standards listed here <http://cincinnatiwoodworkingclub.org/Portals/0/DOCUMENTS/CWC%20Toy%20Safety%208-24-12%20LS.pdf?ver=2017-09-05-220210-000>. Other possible items include dolls and plush toys, school supplies, and books. Please bring toys already boxed and marked with the kind and quantity of toys. You can keep one toy out to share with the group - there will be a table for toy display. We'll collect boxes out in the parking lot.

Church Security

Northminster Presbyterian Church has installed a new timer system and we woodworkers will only have Saturday Meeting Day access via the ramp door to the left of the back parking lot stair doors we historically used. The ramp door will automatically unlock on our meeting day at 7:45 am and lock at 12:45 pm.

Club Brochures

We're thinking about having some club brochures printed up to put in the various supply houses around town. If you have a creative graphics mind or know of a good place to have these printed and would like to volunteer to organize this effort, let Keith Mealy or Larry Saupe know at the meeting.

Membership Dues

Membership dues are due at the September meeting. Please see Dick Fisher at the meeting or print the membership form in this newsletter and mail it to Dick.

Don't forget to pick up your membership card when you pay your dues. This card entitles you to discounts at Wilhelm Lumber, Rockler, Paxton, EB Mueller, Frank Miller Outlet, Klingspor, and Hartville Tool. If mailing your dues, include a SASE if you need your card before you can get to a meeting. Updated lists have been sent to Klingspor and Hartville and they said they would update their files soon.

We clean out our mail list after the January meeting, so if you have not paid, you will not be getting mailings.

Wood Carver's Show

Cincinnati Carvers' Guild exhibition is Saturday and Sunday, November 9th and 10th at the Clarion Hotel 3855 Houck Rd. in Sharonville at Route 42 exit on I-275. \$5 admission - Free for under 12 and Scouts in uniform.

January Auction

Don't forget our annual January auction. Bring the materials or tools you are no longer using, have duplicates of, or received replacement tools for Christmas.

Harbor Freight Freebies

Please bring them to the next meeting. John Leonardi will collect them and place them in the toolboxes for CAP. Also watch Menards for tools free or cheap after rebates.

Looking for some work?

K C Kendall is looking for someone to make a reclaimed wood coffee table similar to this and perhaps an end table or two for a friend. If you are interested in this commission project, contact him at kckend@gmail.com
