The Cincinnati Woodworker Dedicated to Sharing Woodworking Knowledge

The Cincinnati Woodworking Club Newsletter Agenda for September 10, 2022

The September meeting is presented by the Southeast group.

Featured Speaker

The featured presenter will be Rob Millard . Rob is from Dayton Ohio and specializes in Federal furniture with contributions to the major woodworking magazines. He is a member of the Dayton woodworking club (Western Ohio Woodworkers) and SAPFM. See <u>http://americanfederalperiod.com/furniture%20home.html</u> and <u>https://www.woodworkersjournal.com/rob-millard-federal-furniture-cau</u> <u>ses-life-detour-back-to-woodworking/</u> His topic for our meeting is drawer construction using dovetails and how to properly fit the drawers to a case.

Methods of Work

Gene Wiggs, assisted by Larry Saupe, will present Methods of Work. Topic is workbench additions, hold downs, vises and planing aids.

Show and Tell & Quick Shop Tips

We encourage members to bring in a project for Show and Tell. Also, if you have a method or technique you find useful, bring it in and share. These topics do not need to be scheduled and should be about 1-3 minutes in length.

Refreshments

The club provides donuts for the meeting. Feel free to bring a coffee, tea, water, or soft drink in a spill-proof container.

In case of meeting cancellation due to weather or other problems, our cancellation will be broadcast on Fox 19 News.

Jim Schaefer Toy Drive

After many years of the club members and small groups providing toys and games for Christian Appalachian Project (CAP) in Berea, KY, they have decided they do not have a good outlet for non-electronic toys. So the steering committee has been looking for alternate charities. We have not yet decided on a likely candidate. If you know of one, please bring your pre-screened idea to the meeting for discussion or contact Larry Saupe. Unless otherwise noted, we will be collecting toys at the November meeting.
