Special Bulletin

The Central Group will host their annual "Tool Brag" luncheon on January 21st at 1:00pm at the Blue Goose Sports Café. Details will be announced at the meeting & via email.

January Tailgate Tool Sale Moved Inside

We are going to have an inside tool sale as opposed to an outside tailgate sale. We think a warm room will make it more fun. Tables will be set up in the back of the room for anyone that wants to sell their unneeded tools, materials and other woodworking related items.

Each individual will be responsible for their own sales and pricing. Come early for the bargains.

Bring extra cash.

The Central Group will be in charge of this meeting and Central Group Club member Larry Saupe will be presenting a program discussing the various types and methods of veneer and veneering. Larry will also demonstrate two veneering techniques that do not require any clamping or vacuum devices and that can be used on contour surfaces.

Larry will discuss the history, processes that go into the making, use and preparation of veneer. The first of two demonstration will be hammer veneering. Larry will discuss in depth hide glue, various glue pots, preparation of glue and storage, preparation of stock using a toothing plane and the one and two handed methods of using the veneering hammer. The second demonstration will be the re-plasticizes of white or yellow PVA wood glue using a clothing iron. Actual veneering of both methods will be shown.

Woodworking in America

Woodworking in America is going to be at the Northern Kentucky Convention Center, One West Rivercenter Blvd, Covington, KY for three days. November 2nd through the 4th.

You can enjoy a weekend with skill building sessions, many of the top toolmakers and some of the most skilled artisans in the field of woodworking. People like Roy Underhill, Marc Adams, Frank Klausz, Curtis Buchanan and many more.

Shop the WIA Midwest Marketplace, where you can try out the best hand and power tools available anywhere. All vendors are approved by the Popular Woodworking Magazine staff to ensure only top-quality vendors make it onto the sales floor.

Go to this web site to see all the information on class schedules, Marketplace times and fee's.

Reminder!
Please pay your membership dues this meeting.

MEMBERSHIP DUES

Membership dues are payable each September – the beginning of our club year.

We encourage you to pay promptly and support our fine club.

New members can join anytime. Your CWC dues are a great value and pay the club's many expenses (Your benefits) include the meeting room, audiovisual system, videos, Web site, newsletter, advertising, doughnuts, and the annual May meeting luncheon. Dues also pay for the door prizes at each meeting, therefore we ask that only current, paid members participate in the door prize drawings.

Annual Dues: Adults \$15.00
Student \$ 5.00

COMMUNITY SERVICE PROJECTS

Jim Schaefer Toy Project 2012

It's that time of the year again

Terry Elfers and John Leonardi will be collecting toys to take to CAP. If you have completed toys for this year please bring them to the November meeting, Nov.10th. Terry and John ask that you bring them in bags or boxes with the names of the makers on the containers with the number of toys (this will greatly help with the record keeping). All members please help the toy makers bring them to the meeting room. As in the past we will have a show and tell for the toys during the meeting.

You still have time to participate.

We will store the toys at the Church until Monday morning (Thank you Homer and Northminster Presbyterian Church). On Monday morning we will need 6 or 7 volunteers to help us load the van. Please meet at the church on Monday morning at 8:00. Once again Dusty Eling has worked with Penske to rent a van. Howard Renner and Dusty are going to drive it to Mt. Vernon.

Thank you very much Howard and Dusty.

Our Yearly Auction is coming up

In January we are planning another sale/auction to raise money to buy toy parts. So look for anything that you are willing to donate for the worthy cause. We used the money we made last year to buy wheels and supplies to make bunk beds. For the buyers, come to the meeting to get some bargains.

All of the toy and bed photos can be viewed on our websites Photo Gallery.

2012 - 2013 Woodworking Contest

Build anything that is primarily made of wood and completed between September 2012 and May 2013. It will be judged by the same criteria used in our past contests. Originality of design, (how unique is it?), Functionality of design (how well does it work?), Artistic design (is it attractive?), Finish (sanding, stain, top coat) and Expertise required to complete (complex angles, joinery, inlay etc.). Photos may be used to enter projects in cases where it is not practical to transport and display. A PowerPoint presentation will be used to display digital entry photos again this year when the contest is judged at the May 2013 meeting.

If you wish to have your digital photos included in the presentation, please send them to Keith at kmealy@cincinnatiwoodworkingclub.org, no later than May 8th. And limit your photos to 4 per entry.

As part of the Woodworking Contest, we will present our 4th annual Fred Weissborn Memorial Quality Award. It will go to the woodworker whose Contest entry is voted by members to best reflect the craftsmanship demonstrated by Fred during his long tenure as a member. The selection criteria will follow the principle that "craftsmanship" is in the eye of the beholder. Each voting member will determine the superior craftsmanship as he or she sees it and pick the best entry. This award is a traveling trophy with the winner's name and project inscribed on it.

We congratulate Russ Merz the winner of this prestigious award in May 2011. As a reminder The Steering Team has decided that a member may only win this award one time.

A winner is ineligible to compete for this award in any future contest. However, a winner remains eligible to compete for any other contest awards.
